Reference: Project Grants

Dear Mr. McAllister:

One of the functions of this office is to maintain a resource library of information about grants and fellowships available to University of Iowa faculty and graduate students.

We are continuing to update our files and would appreciate receiving current information, including two sets of application guidelines and forms, about the Project Grants sponsored by your organization. Please include any other descriptive information, such as a list of prior awardees, which would be useful to our faculty and students. Will your application deadline be May 31, 1988?

Our office is most interested in receiving any future program announcements.

Thank you very much for your assistance.

Sincerely,

Karen McMains
Resource Coordinator
